Broadspire® Donates \$210,000 to Two Organizations

Company's Golf Tournament raises \$160,000 for SOS Children's Village — Florida and \$50,000 for Moving in the Spirit in Georgia

ATLANTA (July 9, 2015) — Broadspire, a leading global third-party administrator of workers compensation claims, liability claims and medical management services, has donated \$160,000 to the SOS Children's Village – Florida and \$50,000 to Moving in the Spirit. The funds were raised during the Company's 2015 Charity Golf Tournament.

SOS Children's Villages - Florida is a foster care neighborhood in Coconut Creek, Florida, with 12 houses that are home to up to 75 boys and girls who have been removed from their families due to abuse, neglect or abandonment. Moving in the Spirit is a nationally recognized youth development program that uses the art of dance to positively transform the lives of children and teens in Atlanta.

Combining sports, fellowship and business networking, the Company's fifth annual tournament hosted 100 clients, brokers, carriers, business partners and Broadspire management to a day on the links of the 18-hole championship golf course of The Westin™ Diplomat Resort & Spa in Hollywood, Fla. The activities also included a welcome reception the night before the tournament, as well as a lunch and silent auction at the conclusion of the event.

"Our generous clients, partners and vendors made this year's tournament especially successful," said Broadspire's President and CEO Danielle Lisenbey. "Their support allowed us to provide significant financial support to two organizations helping children in both Georgia and Florida. We are very grateful for their contributions."

Lisenbey recently presented a \$50,000 donation to Moving in the Spirit, while Neil Lentine, chief operating officer, presented a check for \$160,000 to SOS Children's Village executives. Over the past five years Broadspire has raised a cumulative total of more than \$600,000 to help the children in the SOS Children's Village – Florida. This is the first year that Broadspire has supported Moving in the Spirit.

Broadspire began its partnership with the SOS Children's Village as a part of Crawford & Company's Global Day of Service in 2009—an annual event when all of the company's employees worldwide engage in community service. Since then, Broadspire has helped with several fundraisers and volunteer opportunities for the SOS Children's Village in addition to hosting the golf tournament.
