## **Crawford® Volunteers Help with More than 193 Service Projects Worldwide**

*Annual Global Day of Service benefits wide range of non-profits*

ATLANTA (Nov. 23, 2016) – Crawford & Company® employees, family members and partners volunteered in a broad range of service projects recently as part of the Company’s 8th annual Global Day of Service. The event took place on Saturday, Oct. 15, and consisted of more than 193 service projects worldwide.

“I am thankful and appreciative that so many of our employees, family members and partners donated their time and talents to benefit the communities in which they live and work,” said Harsha V. Agadi, Crawford president and CEO. “Each year, participation in our Global Day of Service grows worldwide—a testament that Crawford employees truly care for and help out others.”

The projects were diverse but focused on helping a variety of charitable organizations. These included homeless shelters, retirement homes, animal rescue facilities, centers for low-income families, food banks, parks, and fundraising for disease research.

Representative service activities included the following:

- In Atlanta, 130 Crawford volunteers teamed up with Trees Atlanta and the Atlanta City Council for the inaugural Plantlanta, a city-wide, tree planting event. The group planted 78 new trees near downtown Atlanta, adding to its green space.
- In Jacksonville, Fla., nearly 80 Contractor Connection® employees and their families helped beautify the grounds of the Carver Center in Jacksonville Beach. The Center provides numerous programs and activities in areas of recreation, the arts and education, free of charge to low- to moderate-income families and children in the community. Volunteers completed various tasks, from cleaning playground equipment, picnic tables and sidewalks, to landscaping and laying hundreds of bags of mulch in the playground area.
- In Lake Success, N.Y., Garden City Group<sup>SM</sup> volunteers painted the gym walls at the Woodward Children's Center.
- In Chicago, Broadspire® volunteers supported the Pacific Garden Mission Homeless Shelter by making beds, organizing closets, mopping and sweeping floors, and preparing lunch.
