## **FOR IMMEDIATE RELEASE**

### **TERRY HUNT TO LEAD CRAWFORD & COMPANY® U.S. GLOBAL TECHNICAL SERVICES**

**ATLANTA (May 30, 2017)** – Crawford & Company®, the world’s largest publicly listed independent provider of claims management solutions to insurance companies and self-insured entities, today announced the appointment of Terry Hunt as the head of its Global Technical Services® (GTS<sup>SM</sup>) unit in the United States, a division that specializes in adjusting large, complex losses in a wide variety of industries, ranging from building and construction, to banking and finance, aviation, media, engineering, pharmaceutical, agriculture and food, retail and technology.

“We are excited to have Terry rejoin Crawford, as he has a long record of dedicated service to our clients and successful management of GTS, where he excelled at leading and developing our specialized team of professionals,” said Larry Thomas, chief executive officer of Crawford U.S. Services. “He will lead a team of our most experienced complex loss adjusters and industry specialists who provide our customers with strategic loss management stemming from significant claims across virtually every industry and region.”

Before joining Crawford, Hunt was vice president of sales and marketing for American Technologies, Inc., the nation's largest privately held full-service restoration, environmental and reconstruction company. Prior to that he served for almost 24 years with Crawford.
